

Ayham Farhat's CV

I am Ayham Farhat from Buqata-Golan Heights, currently finishing my education at Tel Hai College.

During my years of study at Tel Hai, I have completed several projects in web development (TS, JS, CSS, HTML), C++ and Python.

I am also part of the Excellence team program at Tel Hai, focusing on Python, C++, and Linux.

I have experience using Git, GitHub, Postman, and many other tools.

I participated in Scouts for two years, guiding 15 kids.

In my free time, I enjoy fishing, relaxing in nature, and improving my skills, especially in **full-stack development** and C++.
